Project Updates:

We are thrilled to welcome three new families to Happy 2 be Home.

Rubi, only a few months old, was born with bilateral vocal cord paralysis and requires round the clock care. We will be assisting the family as they look to have an accessible bedroom and bathroom in their home.

We will work with Elena's family as they look to convert a garage to a bedroom.

Bids for new laminate flooring are being sought which will allow Gabriella to move around the house more freely on her own.

Bids have been received for Penelope's ramp. Work is pending.

The ceiling lift for Jake and Ryan has been completed.

Orianys family, along with friends, have begun to have some of the needs to make their home safe completed. A new ramp was done for free and the heater was fixed by the state. New windows and 1st floor bed/bathroom are in process. We have approved funding the costs of materials needed to complete the project.

We continue to work with Kelly's family to find either a home with better accessibility or a way to make their current home safe and accessible. Donations for this specific project can be made at <https://www.gofundme.com/b2vc5-kelly>

If you know of a family with a chronically ill child who needs assistance in providing a suitable home environment to help enhance their quality of life, please have them get in touch with us.

Volunteers Needed:

Do you enjoy helping others? We are looking for individuals to help serve on various committees (fundraising, membership, etc.). If you, or someone you know would be interested in finding out more, please contact us.
