Project Updates:

A site visit was completed at Candace's home. The family is acquiring bids for their bathroom conversion.

A site visit has also been completed at Trey's home. A bathroom renovation has been proposed. The family will begin to get bids.

An architect has been engaged to design plans required for the design of an accessible bedroom for Rubi.

If you know of a family with a chronically ill child who needs assistance in providing a suitable home environment to help enhance their quality of life, please have them get in touch with us.

Special Thanks:

Happy 2 be Home is excited to announce that we were awarded a grant by the *Resource Capital Funds Foundation* through *Global Advanced Metals USA, Inc.* and their Boyertown facility. Pictured from left to right, H2bH Board representatives Drew Carney and Scott Hamrick

accept the donation on behalf of Happy 2 be Home, Inc. from *Global Advanced Metals Kelly Thater*, Global Human Resources Manager and *Mark Lackey*, Vice President of Operations. The \$20,000 gift is the largest corporate donation received by Happy 2 be Home in its 10-year history of helping local families.

We are blessed by the support of the *Global Advanced Metals USA, Inc.* the *Boyertown United Way, NHUMC*, our local sponsors, and countless individuals in the in the community who have supported projects for over 50 families.

A very limited edition of **Hopy 2 be Home**, a craft beer made by *Stable 12 Brewing Company* in Phoenixville was created in our honor this past holiday season. A portion of the sales of this IPA benefited H2BH. Along with a fun beer premier tasting party at their brewery on the day before Thanksgiving, and because of raffle basket sales and donations from generous patrons, we were able to raise a total of \$1,051.50 for our families. Thank you *Stable 12* and everyone who came out to the party and purchased a beer!
